Recycle Right in Tompkins County

Single Stream Recycling

Paper, glass, metal and plastic containers go in the same recycling bin.

Recycling Bin Options:

1. County green recycling bin

- Bins (18 or 22 gallon size) can be purchased at the Tompkins County Recycling and Materials Management office.

2. Use a recycling container of your choice

- Size: Up to 50 gallons.
- Weight: Up to 40 pounds when full.
- Container may have wheels and a lid.
- Mark your container with an "R" decal. (Decals are available for free at the TCRMM Office, the Public Drop-Off Area of the Recycling and Solid Waste Center, all food scraps drop spots and municipal offices, as well as several other locations).

To prepare your recyclables:

- ✓ Empty all containers and rinse out residue.
- ✓ Place your recycling bin at the curb no later than **6:00 am** on your scheduled collection day (**4:00 am** in the City of Ithaca).
